

## The Seed Snatcher

### *Confessions of a Seed Snatcher*

**A timely and exciting presentation on saving seeds, *Confessions of a Seed Snatcher* is a journey of discovery into the world of seed gathering. There is something for everyone in this humorous and insightful program. From seed biology, to seed politics, from seed quirkiness to seed adaptability. Learn how to save seeds from many of your favorite garden friends, as you enjoy entertaining stories of “finding” seeds in unusual places. **Includes a hands-on component where you can “gather seeds” from a large collection** of flower heads, seed stalks, pods... for your own planting or to start a local seed library. Your awareness and appreciation of seeds is guaranteed to grow. Visit **The Seed Snatcher on FaceBook**- post your questions, check out the great photos, so much information! Or contact MariePatrice Masse at 978-579-0897, [mariepatrice@gmail.com](mailto:mariepatrice@gmail.com)**

### About MariePatrice, M.Ed.

MariePatrice Masse, M.Ed., an enthusiastic gardener and lover of nature, has been collecting seeds for many years. Her passion is evident in her lively, humorous presentations. An active member and Membership Chair of the Stow Garden Club, she facilitates the Greens Workshops and Sale, and the Spring Plant Sale. She is a former teacher, a healer, Spiritual Counselor and a devoted grandmother. A frequent Garden Club speaker and children’s workshop presenter at NOFA Summer Conference, more often than not, MariePatrice can be found passionately tending her 5000 square foot organic flower and vegetable garden at the Stow Community Garden or hosting personal growth events with Inspiring Life. Also known as The Seed Snatcher, The Butterfly Lady, The Worm Lady, Dirt Girl, The Garden Go To Lady... You won’t want to miss a program with MariePatrice. Her passion for learning, and enthusiasm for life is contagious!
