

Let's do

PAINT NIGHT

Paint Night is:

- Fun, interactive
- Economical
- Good for all abilities
- Everyone takes their painting home

Choose your own theme, drawing/painting to copy. Landscapes, flowers, gardens, you decide or I share ideas with you for approval.

Individual easels, variety of brushes and paints provided.

Easy set-up and clean-up with recyclable products.

The size of the canvas you want for each participant influences expenses for the program though most are inexpensive when bought in multi-packs. Call/email me to discuss.
