Monday Memo

April 1, 2024

Hello Everyone,

April (don't be fooled today!): The birds are back in the air. A green light and we are on our way to summer. I hope everyone had a wonderful Easter weekend. The weather was so agreeable. So nice to be able to be outside for the afternoon.

Attention all Program Chairs! As promised, the Speaker Bureau program is now on the website. This is the program that was recorded earlier this month. I hope you will find this helpful in planning your programs for the upcoming 2024-2025 season. [Click here.](#) In addition to the recorded webinars, there is also a gallery page of speaker ads for your convenience. Some of those also have a brief video clip attached. [Click here.](#) A huge thank you to **Lyn Hoyt** for coordinating the speakers for us and to **Betsy Howard** for editing the video and placing it on our website.
