

Nurture Nature

Monday Memo

June 10, 2024

Hello Everyone,

Denver, Colorado was quite a wonderful experience to attend the National Garden Club Convention. I had the opportunity to meet so many state presidents and there was a sharing of good ideas.

I just want to remind you that the **registration for our 97th Annual Meeting is closed**. We reached maximum capacity last week and it is so painful to turn so many others away who wanted to attend. Thank you for your support and interest in wanting to attend. We will definitely plan for a much larger venue next year.

Enjoy each day.

GCFM President
