Wed. Oct 23, 2024

Registration , Cocktail Reception, Dinner and Environmental Speaker Senator Sheldon Whitehouse

Senator Whitehouse is a senior member of the Senate Environment and Public Works Committee. This committee is responsible for legislation and oversight of the natural and built environment and for studying matters concerning environmental protection, resource conservation, and utilization. Since 1977 Rhode Island has had the honor to be seated on this committee.

The environment is a concern for everyone and is one of our missions as members of NEGC, Inc. and NGC, Inc. to understand, educate, and protect our natural surroundings.
