

# Designing Workshop Presents

## PARALLEL DESIGN

With Lisa Pattinson  
Flower Show Judge

Friday, April 12, 2024  
10:00 – 12:00

Saint Susanna Parish  
262 Needham Street  
Dedham, MA

Using spring flowers, class participants will learn how to create a parallel design. With strong lines, negative space, and height, this design creates an impact. In your home it can be a striking focal point against a large wall or sit on an entry table to welcome and wow your visitors. This type of design requires distinctive textures and plant material combinations, attention to balance and space, and repetition and variation. Lisa will talk participants through the process so everyone goes home with knowledge and an unusual spring arrangement.

Cost \$55.00

Registration: Contact Margo Yie at [margo\\_yie@verizon.net](mailto:margo_yie@verizon.net)

**Checks should be made out to GCFM.** Please include your garden club and email address so that your registration can be acknowledged.

### MAIL YOUR CHECK:

Before March 20:

Margo Yie  
15372 Milan Lane  
Naples, FL 34110

After March 20:

Margo Yie  
6 Dancer Farm Drive  
Dover, MA 02030

Come with a new member or a friend from your garden club, or bring a guest you'd like to introduce to flower arranging--garden club membership is not required to attend. Parallel designs will be featured at the [Rhode Island Specialty Flower Show](#), April 4-7.
