## **Monday Memo**

August 7, 2023

Hello Everyone,

Time is closing in on us and the summer evenings on Cape Cod are appearing to leave a lot of dew on the morning grass. It is exactly one month from today that the Executive Board will be hosting their opening Board meeting. That leads us to the time at the Federation when we need to send the yearbook to print. There are still a few clubs that have been unresponsive about getting their current information completed for the yearbook. Unfortunately, after several unsuccessful attempts at trying to obtain that information we have no recourse but to enter only your club name into the yearbook and the rest of the information will remain blank. I don't want you to have that embarrassment so please fill in the online form immediately. I can only give you a few more days this week. Here is the link:

If you require help in completing this form, please contact Kim Edwards.

**Regarding Awards:** If your club has a project, special event, publication, or other activity worthy of recognition you may apply for these awards. Award application as well as descriptions and scoring criteria are attached.

All applications must be submitted electronically in PDF format to the GCFM Awards Chair. Do not send your form to the New England Regional Awards Chair. The deadline to submit applications to the State Award Chair is August 30, to allow time to forward to NEGC by September 1.

**Attach both files here**

If you have any questions, please contact Lisa Murray at [LMMurray17@gmail.com](mailto:LMMurray17@gmail.com) or call 978-302-1063.

The New England Regional Garden Clubs annual meeting is October 10 and 11, hosted by the GCFM in Plymouth, MA. Part of the meeting includes an awards presentation for projects taking place between June 1, 2022 to May 31, 2023.

Enjoy each day.
