Hello Everyone,

The New England Garden Club Regional Conference, in Plymouth, on the waterfront, was a huge success. It was very exciting to see the response we received for attendance and it was nice to meet so many of you in person again and some for the first time. Thank you, for making the effort to attend. Many thanks to all of the volunteers who stepped up to help out in both visible and behind the scenes areas to make this conference happen. It was a marvelous team effort. Our National President, Brenda Moore, was there for both days and shared her personal journey about Leadership. We were eager to showcase our accomplishments and let her and the other state presidents see how well we are doing. I am also thrilled and so very proud to let you know that 5 of our garden clubs won awards from NERC at the conference: **Aptucxet Garden Club of Bourne, Framingham Garden Club, Groton Garden Club, Weston Garden Club and Wollaston Garden Club**. The name of the award they won and the description will be posted on the website very soon.

Garden Club treasurers and presidents are reminded that the **501(c)(3) Umbrella Renewal** Information Forms are **due by October 15th**.

Mark your calendars for the **upcoming Webinar** to be hosted by **Diana Brandi**, our **Junior Gardener Chairperson**, which will take place on **October 19th @ 7 PM**. The Zoom link is now posted on the GCFM state calendar.
