Hello Everyone,

The National Garden Club Youth Poetry Contest is celebrating our Green World. Here are the details for the upcoming [Youth Poetry Contest](#) for students K - Grade 9. **I Spy With My Little Eye Something Green Outside** applications need to go through our state Chair, Nancy Martin. Her email is: Nancymartinmailed@gmail.com Any child who is sponsored by a member of GCFM garden clubs is eligible.

The MFA will be sending out the notification to apply for the Art in Bloom soon. Notification will go to the person who was the lead contact last year. If your garden club would like to participate for spring 2024, it is on a first come, first serve basis. If you are interested, please check with your lead or contact the MFA Art in Bloom team for more information. This does not go out to the garden club presidents. [Event calendar](#)

Enjoy each day.
