

*Nurture Nature*

## **Monday Memo**

January 27, 2025

Hello Everyone,

**-*This week!* CANVA webinar on Thursday, January 30 @ 6PM** Colorado Federated state president, Victoria Schmidt, is presenting a very engaging overview of how Canva works and the benefits of using it. There's still time to register for this. [Click here](#)

**-The deadline for the Ames Tool Grant offered by NGC is Jan 1 - March 1, 2025.** Take advantage of this benefit of being an NGC member garden club. You may select tools up to a retail value of \$250 for your community garden or garden therapy club project. Many tools are appropriate for children or gardeners who prefer a cushion grip handle. [Click here](#) for more information.

**-The deadline for the Helen d'Orsay Freidberg Scholarship is: February 15, 2025.** [Click here](#)

**-Website updates:** All current news is now listed under 'Latest News' e.g., the Monday Memo, GCFM newsletter, The Mayflower, NEGC Newsletter, "Northern Exposure", NEGC Photography newsletter, NGC Blog. [Click here](#) to view.

Enjoy each day.  
Marjorie Dienhart  
GCFM President

**Snowflakes are one of nature's most fragile things, but look at what they can do when they stick together. -Unknown**
