About GCFM

The Garden Club Federation of Massachusetts (GCFM) is the second largest garden club organization in the United States, serving over 165 member clubs and over 10,700 members across Massachusetts. We are dedicated to infusing our member-clubs with educational and inspirational content on a wide range of topics, ranging from horticulture and gardening, landscape and floral design, environmental and sustainability concerns, birding, apiculture, botany, agriculture and much more.

The GCFM Annual Speakers Program

The *Annual Speakers Program* serves as a trusted resource and the central hub for GCFM member-club Program Chairpersons to discover, contact, and book speakers for their respective clubs for the calendar year.
